INTERNATIONAL HUMANITARIAN SUMMIT

**Building a
strong global
humanitarian
society for a
better world**

WHAT IS INTERNATIONAL HUMANITARIAN SUMMIT?

Today we live in a world of changes so profound and rapid that no country can stand globally alone, like the pandemic we are forced to encounter at present. This is what initiated the launch of The International Humanitarian Summit which targets to safe keep the prosperity and welfare of all mankind. Humanitarian values and principles are vital components for mankind to prevail in this world. As a global community we face an array of global tests. These tests boil down to the fundamental challenge of making enlightened decisions today and tomorrow, that will place people and the planet on course for a better future.

The Summit marks an important milestone towards establishing global cooperation and unity. This International Platform will provide highly interactive features which head to advocate and stand for humanitarian values like neutrality, impartiality, and independence which we can see that we lack nowadays in many places around the world.

The Summit will shed the light on current issues that needs to be addressed and solved with special focus about ongoing issues around the world including COVID 19 and its shortcomings upon the communities, as well as the persisting issues of Racism, Gender Equality, Poverty, Persecution, Hunger and other issues that need to be raised. As everyone is and should share the responsibility of making this world a better place, this Summit targets to engage many parties in acting, portraying and highlighting how important
